HESTA | An Industry SuperFund | WAPHA WA Primary Health Alliance | PathWest Laboratory Medicine WA

Learning outcomes

Upon completion of this session, attendees should be able to[«]:

- Counsel women about the short and long term health issues associated with PCOS and the treatment options
- Summarise current best practice for assessment and management the perimenopause and menopause
- Discuss the risks and benefits of long acting reversible contraceptive (LARC) methods
- Develop a structure for breaking bad news.

[«]*Please note that these learning outcomes are subject to change*

RACGP | QI&CPD 2017–19 Accredited Activity Provider

This education forms an Accredited Activity under the RACGP QI&CPD Program.

[#]Please note that this year's Women's Health Day event will incur a small fee of $20. This contribution will assist in the continued delivery of high quality women's health education.

We need to collect personal information to process your registration, send you updates on courses and otherwise conduct our functions and activities. By providing your personal information, you agree that it will be used and disclosed by Cancer Council WA in accordance with this statement and our Privacy Policy, available via http://www.cancerwa.asn.au/notices/privacy. If you do not agree, (i) you must not provide your personal information; (ii) you may not be able to register; and (iii) we may not be able to communicate with you or provide certain products or services to you. We may disclose your personal information to other parties, including Cancer Councils in other Australian States and Territories, and to third parties who provide products and services to us or through us in the ordinary operation, administration or promotion of our business and otherwise in accordance with our Privacy Policy. From time to time, these third parties may be located (and therefore your personal information may be disclosed) overseas. We may use and disclose your personal information for direct marketing purposes, unless you opt out (which you can do at any time in accordance with our Privacy Policy). Our Privacy Policy contains information about how you may access and seek correction of your personal information, how you may complain about a breach of your privacy, and how we deal with that complaint. If you would like to change how we communicate with you, or would no longer like to receive updates from Cancer Council WA please call (08) 9212 4333.
